In one corner, an elegant stone fireplace promises pleasant winter relaxation. The very bright eat-in kitchen enjoys the same beautiful sea view as the living room and has direct access to the terrace.

Serving the kitchen is a spacious, extremely practical and functional pantry.

After the living area, we access the sleeping area where we find three bedrooms: the large master

The home is completed by a bathroom with window and a service balcony and a charming study with window, easily transformed into a second bathroom.

From the house, going down one floor, you reach the private garden, ideal for our four-legged friends.
