Code 08VE333

Total rooms: 3 | Rooms: 2 | Bathrooms: 3 | Surface area: 85 m²

In the heart of Alassio's Budello district, just 50 meters from the pier, we are pleased to offer this wonderful, finely renovated apartment. Located on the first floor of a small building, the apartment perfectly combines the seaside village atmosphere with its characteristic, elegantly frescoed cross-vaulted ceilings and the modernity of the recent, luxurious renovation. The entrance opens onto a spacious living area with kitchenette and leads to the two double bedrooms and two bathrooms, completing a lovely mezzanine level. A modern internal staircase leads to the property's highlight: the generously sized terrace (30 sq m) equipped with a kitchen, barbecue, pergola awning, and laundry room with an additional bathroom. Despite its proximity to the beaches and central location, the apartment maintains a high degree of tranquility and privacy. Heated and air conditioned by heat pump. Possibility of renting a garage nearby.
